Dear Dr. Anderson:

It is my pleasure as chairman of the Alumni Awards Committee to inform you that you were nominated by an alumnus of Wagner College and subsequently selected by the Committee to receive an Achievement Award for unusual and outstanding achievement in your field of endeavor.

On Saturday, May 19, 1979, the evening before Commencement Day, there will be a dinner at the College at which the Alumni Association Awards will be presented and at which the alumni of fifty years also will be honored. It is hoped that you and your wife will be able to attend this gathering as guests of the Alumni Association.

It is planned that the function will begin at 6:00 p.m. When the remaining details of the evening are formalized, you will be informed. Please contact Jewel Cornell, Director of Alumni Relations, (212) 390-3004, to indicate whether you will be present to accept your award at that time. Should you desire accommodations at the College for overnight, also please mention that to Jewel.

On behalf of the Alumni Awards Committee, congratulations! I look forward to greeting you on May 19, 1979 when your exceptional professional achievements will be honored.

Sincerely,

Ruth M. Danischewski
